**RISK WARNING: All financial products traded on margin carry high risks. They are not suitable for all investors because leverage has both positive and negative aspects. Your loss may exceed your initial investment amount. Therefore, before you decide to trade, please confirm that you understand the relevant risks, while taking into account your investment objectives and level of experience. Past performance does not represent future results. Seek advice from an independent professional if needed. For more details, please refer to “Customer Service Agreement”, Read more risk tips “Risk Disclosure Statement”. If you have any questions, please consult online customer service or contact us at [support@katoprime.com](mailto:support@katoprime.com).**
